Uniform Policy

The guidelines in this booklet clearly outline the College uniform and grooming requirements and the expectation is that they will be followed by students and supported by parents.

The College uniform expectations include:

- Parents will ensure that students are well presented by providing correct uniform items and ensuring that students are wearing the correct uniform every day.

- Full uniform will be worn to and from school and it will be clean, neatly worn and in good repair.

- Students will take pride in their appearance and maintain high standards of personal grooming.

- Uniform items will be clearly named and students will be responsible for their belongings at all times.

Thank you for your support in ensuring our uniform and grooming requirements are maintained at a high standard.

SECOND HAND UNIFORM

Second hand uniform is available at the Uniform Shop with no exchange or refund.

Do you have any current style uniform items in good condition? Why not bring them in for resale?

When checking the quality of your garments; ensure hems are stitched, clothing is not faded and also without stains, paint marks and holes. Please ensure clothes are freshly laundered with no animal hair on the garment.

Ask yourself whether you would purchase this item, if not, it will probably not be in suitable condition for re-sale.

You may also like to consider donating items in reasonable condition to First Aid for emergency clothing.

Garment preparation for second hand sale:

- Please wash or dry clean and press all items
  (presentation of garments will increase value of return)
- Remove name tags where possible.

Complete a “Second Hand Uniform For Resale” form and leave items together with completed form (in a bag) at the Uniform Shop during open times or at front Reception.

Shoes are not accepted to be sold through the Uniform Shop due to health reasons.
