

Emmaus
Christian College

**REMOTE LEARNING
GUIDE FOR PARENTS
YEARS 7-12**

TERM 2, 2020

In the morning ...

Students should

- be dressed in neat casual clothes by 8:30 am
- log in to their Home Group Google Classroom at 8:35 AM

Attendance will be marked and notices given.

If your child is unwell that day, phone or email the school just as a normal school day:

Phone: 8292 3838

Email: dscheepers@emmauscc.sa.edu.au

Daily Timetable...

Students should check Google Classroom at the start of their normal lesson time according to the established timetable.

Students will be asked to touch base with their class teachers regularly although their work schedule will be flexible.

There will be flexible time for students to work on assignments but the teachers will be available in their normal lesson time to answer your child's questions and to give them a hand.

Weekly Tasks

Subject teachers will organise class work into weekly tasks.

Instructions for tasks will be found on Google Classroom.

Students must check in with their teacher regularly during the week as they complete the tasks.

Work should be handed in using Google Classroom by the due date (just like it always has been).

Google Meet video conferencing

Your child may use a headphone with a microphone if they have one, otherwise the laptop/chromebook microphone and camera are sufficient.

Please help your child to ensure the background to their video chat is neat and not too personal; a desk, dining table or kitchen bench is ideal. It is preferred students do not use a bedroom for a video conference, but we understand that house space may be short. Please keep bedroom doors open if this is required.

Students should be dressed appropriately - just like a school casual day.

ECC Portal

You may access your child's results and academic progress through the ECC Portal.

A link to the portal is accessible from the Emmaus Christian College Website:

<https://emmauscc.sa.edu.au>

For help with the portal please email:

enquiries@emmauscc.sa.edu.au

Any Questions?

Please contact your child's home group teacher if you have any questions and they will be able to pass you onto the person who can assist you.

Teacher emails follow the format below:
