

Enrolment Agreement

During my enrolment interview with the Principal and Head of School, it has been explained to me that, if an enrolment position at Emmaus is offered, my child and any other of my children will be required to take part in certain activities in addition to the general curriculum. I also understand and accept the College's approach towards the matters outlined below. I understand that as a parent/guardian of a student at Emmaus Christian College, my role is to support the College in these areas as the College in turn supports my child. These are key aspects of school life that assist in developing the whole child as a part of our wider Christian community, and as such are a requirement of enrolment at Emmaus Christian College.

I agree to support the College's approach in the following areas:

- Daily Christian devotions
- Christian Education classes
- Weekly assemblies including worship, the reading of scripture and prayer
- Recognition and celebration of Christian events
- Holy Communion (age appropriate)
- Attend and participate in College events including speech nights and sporting events
- Participate in acts of service, kindness and outreach as opportunities are made available
- Attend compulsory College camps from Year 2
- Health and wellbeing education addressing sex, drugs and mental health matters (at an age appropriate level)
- Wear the College uniform correctly as detailed on the College website.
- Upholding the behaviour management policies of the College and being supportive of College responses to behavioural incidents including our Restorative Practices approach.

The Resource Centre books are made available to students with an awareness of student age and maturity, providing options that stretch thinking on a range of writing styles and viewpoints. As a consequence, although our library collection may differ to public library collections because of our Christian worldview, it will not automatically preclude books that are not written from a Christian perspective.

If my child is entering Emmaus Christian College at Foundation and was born after January 31 (making them less than 5 years old at commencement), I understand that the College will undertake a school readiness assessment approximately 5 months prior to commencement. I understand that this may result in the College deferring the offer of enrolment to the subsequent year (and will adjust Kindy arrangements accordingly).

I have viewed and agree to fully support the College's Vision and Philosophy and 'Statement of Faith' and am not affiliated with a faith tradition or Church whose beliefs are in direct contrast to those of Emmaus Christian College as outlined in the Emmaus Statement of Faith. I agree to co-operate with the school in all matters of discipline and to support the requirements of the College.

I agree that the above statement applies to the current enrolment and all other future enrolments.
